## LARGE, SUMMER-FLOWERING GLADIOLUS

In the best and most useful varieties. All first size bulbs.

	per 100	per 1000	Bulblets per 1000
AMERICA—The well known and popular florists' pink. My stock is true, healthy and vigorous. Splendid forcer -----	\$1.75	\$16.00	\$ .75
ANNIE WIGMAN—Soft yellow, with red blotch -----	1.75	16.00	1.00
BARON J. HULOT—The finest deep violet blue shade yet brought out. Exceedingly popular variety with well-opened flowers-----	2.25	20.00	1.00
BLANCHE—A grand white variety of great merit -----	3.00	27.00	1.50
BRENCHLEYENSIS—The well known useful and popular scarlet; very bright and showy-----	1.65	15.00	.75
BUTTERFLY—A vivid reproduction of a butterfly in form and colorings. A beautiful and distinct variety -----	3.00	27.50	1.50
CRACKERJACK—Very rich dark red-----	2.25	20.00	1.00
EMPRESS OF INDIA (new)—Brown red, very dark. This variety always attracts attention by its uncommon color -----	2.75	25.00	1.50
FAUST—This grand variety bears immense flowers of an exceedingly rich carmine red. Extra strong spike. Strongly recommended for its rich coloring and size of flowers-----	1.75	16.00	.75
FREDERIKA WIGMAN—Orange red with yellow blotch; very showy -----	2.25	20.00	1.00
HALLEY—A magnificent Salmon Pink and a splendid forcer-----	2.00	18.00	1.00
GIANT PINK—A really fine pink of good form. Large flower and strong grower -----	2.25	20.00	1.00
GOLDEN WEST—The exact color of a brilliant sunset. A truly wonderful color in Gladiola -----	3.00	27.50	1.50
INDEPENDENCE—Another good pink. well worth growing -----	1.75	16.00	1.00
GLORY OF HOLLAND—Pure white, only the anthers are a little lilac. A splendid variety and a good forcer -----	2.25	20.00	1.00
JEAN DE LA FOY—A most beautiful and distinct variety. A flesh color overlaid with brilliant carmine-----	2.75	25.00	1.50
LAFAYETTE—A first-class florists' light-----	1.75	16.00	1.00
LILY LEHMANN—Pure white, with faintest rose tinge. Large and very beautiful flower, resembling a Water Lily -----	2.75	25.00	1.50
MRS. FRANCES KING—A real good variety with fine, long spikes, light scarlet of a very pleasing shade. Splendid for cutting -----	1.75	16.00	.75
MRS. F. PENDLETON—A grand pink -----	4.00	35.00	1.50
NIAGARA—A good variety, very large flowers of a beautiful cream shade. Stout, erect flower spike-----	3.50	30.00	1.50
ORION—Soft salmon pink, with small dark blotch -----	1.75	16.00	.75
PANAMA—A truly magnificent pink. Immense flower and a grand variety -----	2.75	25.00	1.50
PINK BEAUTY—A very valuable variety. It flowered with me out-doors as early as April. A splendid doer and forcer. A good pink with a dark crimson shaded blotch, enhancing its color. The earliest of all the large Gladiolus-----	2.25	20.00	1.50

## LARGE, SUMMER-FLOWERING GLADIOLUS—Continued.

	per 100	per 1000	Bulblets per 1000
